

2017 Organic Plant CSA

Sage Creations Organic Plant CSA - *the Gardner's choice*

We are offering an opportunity to pre-buy vegetable, herb, and flower plants and organic seeds for your garden for approximately a 10% savings. And you get first pick options at our plant sale along with first-rate gardening advice.

We grow a large range of vegetable plants, cutting flowers, bedding flowers and a multitude of herbs, both culinary and medicinal at Sage Creations. Our selection is made up heirloom, open pollinated and American Award Selection Winners. Our customers are amazed at how well our plants do for them. We use a certified organic potting soil and amendments - our special ingredients aide in the health of the plants. We have countless testimonials that are plants have a health and vigor like no other.

The order form for our organic Plant CSA allows you to select from the following three categories: flowers, herbs, vegetables and organic seed.

The dollar amount of each CSA will vary for each customer according to your needs. The CSA plant selection will be made up of 4" pots, 2 1/2" pots and 6 packs and organic seeds for direct sowing.
